Since 2009 on the Market and still counting..

All these years we are truthful/faithful to our commitment..

Never doubt a group of a highly trained-technical professionals who have comprehensive grasp of international trade, logistics operations and practices around the globe. Although the company is young in years yet we are mature in experience. We currently employ over 20 people, of which 98% having 15 years of experience in the logistics industry, people who are all dedicated to servicing our customers as our extended family.

Global Solution Express Limited (GLS) was establish on 2009 by a group of highly trained professionals, veteran in the field of international trade and logistics. Essentially, our company's mission is to ensure the right products are delivered to the right location on a given time and at a good cost.

As part of business expansion GLS Express venture in to imporation and distribution of furniture that have superior quality yet highly competitive in form and price.

We are responsive yet consious of the quality of service and product we provide to our valued clienteles here and abroad.

GLS LIMITED understands, manages, and organizes the clients' demands which involve the whole supply chain.

Current customers are mostly coming from Middle East, Canada, Russia, Philippines and Hongkong.
